"I will bless those who bless you." Genesis 12:3

America for Israel is a growing coalition of US and Israeli business leaders, political leaders, and organizations fostering strong bilateral relationships between our two nations. Co-Founded by Shanda and Nathan Hasse, AFI is a Texas-based coalition that exists to promote, as Ambassadors, the Biblical Beauty, Democracy, and Free Markets of the Land of Israel while uniting America for Israel.

We are honored to welcome you as a key Partner Organization for the upcoming Dallas event, *A Texas Tribute: A One-Day Summit Honoring Israel & Commemorating October 7th*. The heart of this event is to unite Jewish and Christian leaders, pro-Israel organizations, and Texas dignitaries to honor the victims, stand with Israel, and bring attention to the rise in antisemitism in the US and beyond. Through a heartfelt Prayer Breakfast featuring Nick Vujicic, rabbis and pastors, panel discussions, and a luncheon featuring Governor Greg Abbott, Senator Ted Cruz, and emcee for the Summit, Erick Stakelbeck of TBN's The Watchman, this day will be a meaningful tribute and a rallying point for education and action.

Your partnership ensures that we can make a real difference in the lives of those impacted. Proceeds from the event will support Israeli organizations providing essential aid to victims, displaced families, orphans, widows, and injured IDF soldiers.

Please review the contents of this Media Kit, so you have the tools needed to begin promoting the Summit to your contacts and lists. ***We encourage you to begin promoting the Summit early this week.***

America for Israel is a coalition is focused on building bridges to champion pro-Israel initiatives, to build US/Israeli partnerships in both public and private sectors, and to unify pro-Israel organizations. We are blessed by your partnership and look forward to working alongside you to make this Summit a success for His purposes and for Jerusalem's sake.
